Progression Guarantee Policy

At Williams College, we are dedicated to fostering the academic and professional advancement of our students. Our "Progression Guaranteed" policy aims to offer a seamless transition for students seeking to further their education or career prospects.

1. Eligibility:

- Students who successfully complete their programme at Williams College are eligible for progression opportunities.
- To qualify, students must meet all academic requirements and adhere to any additional conditions specified by their programme of study.

2. Internal Progression:

- Upon completion of their current programme, students have the option to progress to another course or programme offered by Williams College.
- Internal progression opportunities are subject to availability and alignment with the student's academic and career goals.

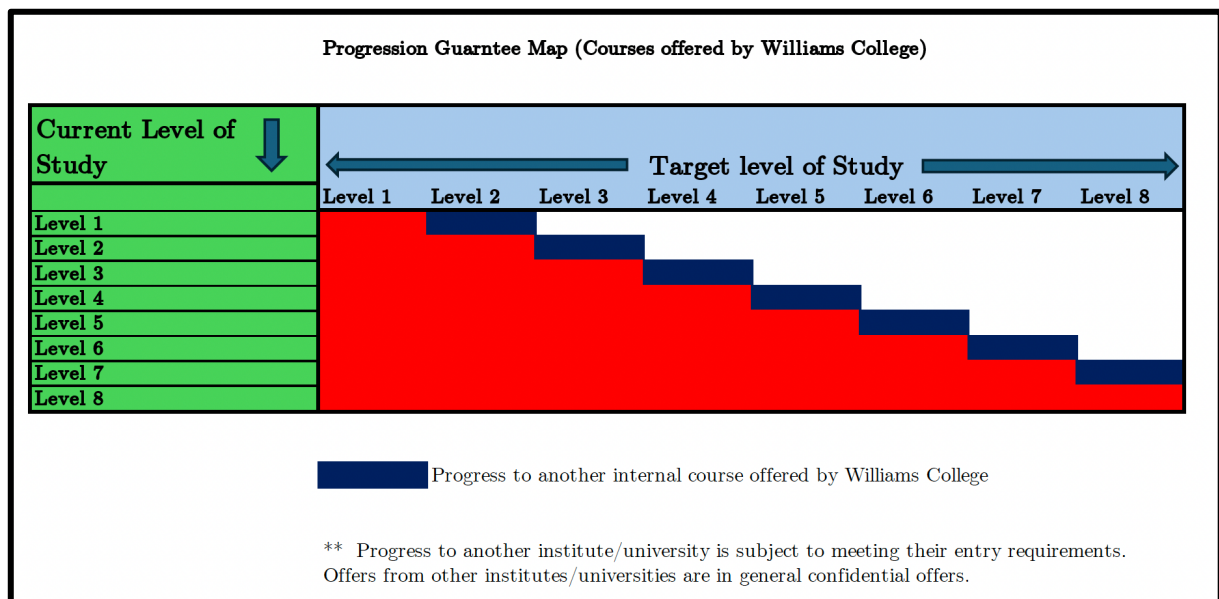

Figure: Internal progression

3. External Progression:

- Students may also choose to consider progressing to another institute or university of their choice.

- Williams College works with other agencies that have progression agreements with institutes including universities and colleges. Our top performing students may approach us to explore such progression options.

- External progression is contingent upon students meeting all admission requirements and conditions set forth by the external institution. Williams college cannot influence the decision on admission made by the external institution.

4. Support and Guidance:

- Williams College provides comprehensive support and guidance to students considering progression options.

- Academic advisors and career counselors are available to assist students in exploring their options and making informed decisions.

5. Transparency and Accountability:

- The progression process is transparent, with clear guidelines and criteria outlined for students.

- Williams College is committed to accountability and ensuring that students are equipped with the necessary information and resources to facilitate their progression.

6. Continuous Improvement:

- We continually review and enhance our progression guarantee policy to better serve the needs of our students.

- Feedback from students and stakeholders is welcomed and considered in the ongoing improvement of our policies and practices.

7. Conclusion:

- At Williams College, we stand by our commitment to providing a quality education that prepares students for success in their chosen field.

- Our "Progression Guaranteed" policy reflects our dedication to supporting students throughout their educational journey and beyond.
